

With its light weight, only 2.9 lbs, the powerful FinishPro 18 is tough enough to do the job, but light enough for all-day work. The FinishPro 18 brad nailer drives nails up to 2" into hard wood applications.

Applications:

Cabinets, small trim, furniture repair, case backs, baseboards, chair rails, picture frames, ornamentals

FinishPro® 18 Features and Benefits:

- Extra power: drives fastener up to 2" in hard wood applications
- Belt hook – for convenience
- Adjustable depth-of-drive
- Rear exhaust – keeps oil and dust away from the work surface
- Easy-open latch – for quick loading
- Hardened steel driver – for extended life
- Full soft grip – for comfort and control
- Low load indicator – visible fastener indicator
- No-mar pad – to protect work materials
- One-year warranty
- Includes case, fitting, oil, hex wrench and fastener rebate

Specifications:

Item #: 1U0001N
Tool Weight: 2.9 lbs (1.32 kg)
Height: 9.1" (231 mm)
Length: 10" (254 mm)
Nail Capacity: 110
Reg. Operating Pressure: 70-120 psig
Mode of Operation: Sequential Trigger
Lip Length: 3/4"

Fastener Specifications:

Gauge: 18
Fastener Range: 5/8" – 2"
Finish: Galvanized

Sequential Actuation Trigger (also known as restrictive trigger or trigger fire) operates in the following sequence - depress the safety element at the nose of tool against the work surface then pull the trigger. After each fastener is driven, release the trigger and lift the tool off the work surface before starting the sequence again. This trigger is recommended and acceptable for most applications.

Contact Actuation Trigger (also known as dual action, bounce or bottom fire) operates in the following sequence- pull the trigger first and keep the trigger pulled while moving the tool along the work surface with a bouncing motion, depressing the safety element at the nose of the tool against the work surface where the fastener is to be driven. This trigger is recommended for use by trained professionals only in high production or volume applications.

Always read the Operators Manual and Safety Instructions with all tools to ensure proper use and safety precautions or contact Senco for more information on our trigger systems. Choose the right trigger system for your specific needs! For additional information on how Senco Fastening Solutions will save you time, reduce costs, and increase quality, call our toll-free Action Line: 1-800-543-4596 to find your nearest Authorized Senco Dealer or Distributor.
